

## Youth Leadership Summit for Sustainable Development 2020

### My Sustainable Workforce Development Action Plan It's up to each one of us to build a sustainable world. What are my gifts?

1. How do I want to contribute to building a Sustainable Workforce Development?
2. What skills do I bring/want to learn this year - in 5 years?
3. What is the sustainability challenge I want to help/learn/take action this year?
4. What projects/initiatives are addressing this challenge in my community?
5. Which ones include/encourage youth engagement & leadership?
6. What projects/initiatives in the world are addressing this challenge?
7. What are examples of young people who are addressing this challenge?

What organization would I like to learn from & work with? \_\_\_\_\_

What resources are available in my community or online ? \_\_\_\_\_

Who do I want to be on my Sustainability-In-Action Team? \_\_\_\_\_

What would I like to accomplish with this project: measurable goals and specific actions
